#### Notes:

We measure total academic enrolment not just the number of students in certain departments.

All floating licenses, including unlimited site licenses, are network licenses. All users need to be connected via the Internet.

The default spell checker is English. Add an additional language for 5% of the initial license cost.

Departmental site licenses are no longer offered. Instead use appropriate combination of fixed and floating licenses.

Maintenance price is 10% for the first year, and 20% subsequent years.
